

OAPCE Regional Report

Region: Nipissing Parry Sound

Director (s): Dianne Pawlowski

Date: October 26th 2023

In September 2023, the NPSC Board shared the OAPCE Newsletters with Principals, who then forwarded the newsletter to newly elected CSAC Chairs. During the month of September and October, most school councils will elect new Chairs. Once the names are finalized, a formal name list will be sent to me, OAPCE Regional Director (Dianne Pawlowski).

On October 16, 2023, the NPSC Director attended a CSAC at Holy Cross Catholic School, sharing the call for feedback on the Director of Education Appraisal criteria.

OAPCE Nipissing-Parry Sound shared a copy of the OAPCE Newsletter to each school council by interoffice mail. We hope to have names of school reps confirmed to move forward with planning the first regional committee meeting and commissioning ceremony of this school year in November, 2023.
