## What do we do?

OAPCE communicates with parents across the province through our email distribution list, newsletters, website facebook and twitter. The OAPCE Board of Directors is the governing body of a province-wide network of parents and guardians whose children are enrolled in publicly funded Catholic Education. OAPCE is a member of the

Institute of Catholic Education (ICE) and works with all Catholic Education partners such as OCSTA, CPCO, OECTA to name a few.

OAPCE is invited to working tables and committees of the Ministry of Education and other Education partners to provide the parent perspective. From these meetings and events we

receive information about the issues in Catholic Education system of Ontario. This information is shared with our OAPCE Liaison Representatives which they, in turn share with their School Parent Councils.

In addition we provide OAPCE Reps with information about

- the operations and activities of OAPCE
- upcoming education events taking place across the province
- and provide parents with opportunities to provide feedback on Ministry initiatives or other Educational issues
