Message from the Ward 1 City Councillor

It is my pleasure to extend greetings and a warm welcome to everyone attending today's conference hosted by the Ontario Association of Parents in Catholic Education (OAPCE), to celebrate its 85th anniversary.

This year's theme is "*A Celebration of Change, Commitment, and Catholic Education*" and it provides the space to allow parents' voices to be heard, connect our communities, and continue advocacy efforts emphasizing the importance of religious education.

This event not only highlights the remarkable accomplishments of the Catholic education curriculum across Ontario, but it will also gather hundreds of parents, educators and students.

Thank you to the OAPCE for reinforcing faith in our children's lives, your continued community service to the local Catholic school community, and promotion of Catholic teachings since 1939.

Please accept my best wishes for a successful event.

Yours truly,
